

QMainWindow

```
classDiagram
    QMainWindow <|-- biblioteq_pdfreader
```

A UML class diagram illustrating inheritance. At the top is a box labeled 'QMainWindow'. Below it is a box labeled 'biblioteq_pdfreader'. A blue arrow points from the bottom of the 'biblioteq_pdfreader' box up to the bottom of the 'QMainWindow' box, indicating that 'biblioteq_pdfreader' inherits from 'QMainWindow'.
