

QProgressDialog

```
classDiagram
    class QProgressDialog
    class biblioteq_item_working_dialog
    biblioteq_item_working_dialog --|> QProgressDialog
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'QProgressDialog'. Below it is a box labeled 'biblioteq_item_working_dialog'. A blue arrow points from the bottom of the 'biblioteq_item_working_dialog' box up to the bottom of the 'QProgressDialog' box, indicating that 'biblioteq_item_working_dialog' inherits from 'QProgressDialog'.
